

# Open House:

## Transportation and Trail Opportunities

*July 31, 4:30-7 p.m. at 181 Water St.*

**Join the Town of Skowhegan, Maine DOT, and traffic engineers from VHB to learn more about the Village Partnership Initiative that's currently in progress, and discuss opportunities for transportation in Skowhegan, including traffic pattern change considerations and ways to make Skowhegan's village more welcoming and safe for pedestrians and bikes.**

**BONUS: Check out the first draft of the Skowhegan Trail Master Plan, an initiative of Main Street Skowhegan and other local stakeholders.**

*Learn, engage, and stay informed!*
