Staff:

Nicholas Nadeau, Town Manager
Angel Aguirre, Executive Secretary
Department Heads and Members of the
Public

- A. Call Selectboard Meeting to order and Pledge of Allegiance
1. Chair Whitney Cunliffe called the meeting to order at 5:30.
 2. Town Manager's Report: Nick reported that the Highway Department successfully managed the recent snowstorm, working long hours with no reported accidents and receiving numerous compliments from residents for their attentiveness and road conditions. He also recognized the Parks and Recreation Department for quickly opening and staffing an emergency warming shelter during the recent period of sub-zero temperatures. Although overnight sheltering was ultimately not required, staff ensured the facility was prepared and available to residents in need on short notice. Nick provided an overview of upcoming changes to the municipal budget process. He explained that, rather than holding a single day-long budget meeting, departmental budget presentations will be spread across multiple Select Board meetings between late February and March. This approach is intended to improve public transparency, reduce meeting fatigue, and allow department heads adequate time to explain their budgets and answer questions.
 3. Department and Committee Reports:
Police Department – Chief Bucknam: Reported on a recent joint training exercise conducted with the National Guard at the Armory, which included coordination between the Police Department and Fire Department. He stated that the exercise went extremely well and was valuable in preparing for critical incident response. As a result of its success, there has been discussion about conducting similar joint trainings in the near future to maintain readiness and identify areas where additional staffing or procedural adjustments may be beneficial. Chief Bucknam also addressed winter road safety concerns, noting that while roads are regularly

plowed, changing temperatures can create wet conditions and black ice, particularly on Madison Avenue. He urged motorists to use caution, reduce speed, allow additional stopping distance, and remain alert for turning vehicles and pedestrians. He emphasized the importance of due care to prevent accidents and thanked residents for limiting unnecessary travel during recent weather events.

Highway Department – Jason Finley: Reported that the Highway Department responded effectively to recent winter weather events, with crews working extended hours to keep roads clear and safe. He noted that overall road conditions have been well received by residents, with positive feedback shared with the department. Jason also addressed current concerns on Madison Avenue, explaining that temporary conditions remain until final paving and top coating can be completed in the spring or summer. In the meantime, motorists were encouraged to use caution, particularly when navigating intersections, side roads, and driveway entrances affected by elevation differences.

Town Clerk – Gail Pelotte: Reminded residents that dog registrations are due by the end of the week. She noted that the Town is operating under a new system and is no longer able to make courtesy reminder calls. Any registrations completed after the close of business on Friday will be subject to a \$25 late fee per dog beginning Monday. Residents were encouraged to complete registrations before the deadline to avoid penalties.

4. Conflict of Interest Disclosure: None declared by Selectboard Members.
5. Selectboard Items: Amber thanked residents and local businesses for attending the Augusta trade show She also highlighted that Build Maine will return to Skowhegan on June 2–3, a conference for town planners, managers, architects, and others involved in town development, and encouraged town officials to attend. Ethan praised the public works team, especially Jason, for excellent road maintenance during a recent storm. Whitney addressed road conditions on Madison Avenue, noting that until the topcoat is applied, some side roads and driveways are higher than the street, making it difficult for residents to enter or exit safely. Drivers were urged to slow down and be patient.

- B. Items by the Public – Tommy and Max, local door to door sales reps talked about electricity costs and solar.
- C. No Public Hearings

D. No Presentations

MEMORANDUM

DATE: February 4th, 2026
TO: Selectboard
CC: Cindy Kirk, Transfer Station Manager
FROM: Nicholas Nadeau, Town Manager

RE: Transfer Station Capital Equipment Purchase – Forklift with Clamp

On behalf of the Transfer Station Manager, I am requesting and recommending the Selectboard authorize Cynthia Kirk to purchase a new forklift for the transfer station with a clamp and to spend an amount not to exceed \$38,973.73 from the **Solid Waste Management & Recycling Reserve Account: Equipment/Vehicle Designation.**

Financing options were explored, with a 4-year financing @ 5.21% equating to four annual payments of \$10,814. There is enough in the reserve to comfortably cover this purchase and keep our other obligations on track for the year; thus, I am recommending paying in full for the equipment.

The current balance of the reserve account is \$87,668.08

Cynthia,

Good afternoon. Thank you for the inquiry into a new Hyundai Forklift. Here is the quote on the new, 5000# capacity, propane, Hyundai Forklift that we spoke about. The model of this forklift is 25L-9A and the VIN # is HHKHHF31KF0003813. The highlight of specs would be as follows:

- *Hyundai 5000#, forklift
- *Hyundai L4KB 2.4L engine
- *185", 3 stage full free mast, with 86" lowered height
- *4 function hydraulics (valve and hosing)
- *Side-shifter
- *New, factory built, fork mounted, slide on, Cardboard Clamp.
- *Single solid drive tires
- *Solid steer tires
- *Overhead Guard
- *Wet disc brakes
- *Strobe Light
- *Load weight indicator (scale)
- *LCD color monitor
- *Auto Parking Brake
- *48" Fully tapered and polished forks
- *3 year/4000-hour warranty

The cost of the forklift and attachments, as described above, would be \$38,973.73 + sales tax if applicable. This forklift is painted in Hyundai's 25th Anniversary paint scheme. It is painted Silver as opposed to the traditional Hyundai Yellow. If you have any questions, please contact me at 942-2042.

Thank you,

Joe Davis

RE: Removal of Planning Board Member

At the request of the planning board chair, the Selectboard should consider the removal of the following member due to lack of attendance: Adrian Sincyr. Per the Skowhegan Planning Board Ordinance, Section 2(D): *A vacancy shall occur upon the resignation or death of any member, or when a member ceases to be a voting resident of the town, or when a member has six (6) or more absences, for any reason, within a twelve (12) month fiscal year period.*

Good Morning Nick,

Steve Conley asked that we have the Selectboard officially remove Adrian Sincyr from the roster as a member of the Planning Board. He was appointed in June and then never took his oath of office. I have tried reaching out to him several times with no response. He has not attended any meetings in that time. Is this something that you can put on the next meeting?

Thank you.

Cynthia Kirk
Solid Waste Facility

Cynthia,

Good afternoon. Thank you for the inquiry into a new Hyundai Forklift. Here is the quote on the new, 5000# capacity, propane, Hyundai Forklift that we spoke about. The model of this forklift is 25L-9A and the VIN # is HHKHHF31KF0003813. The highlight of specs would be as follows:

- *Hyundai 5000#, forklift
- *Hyundai L4KB 2.4L engine
- *185", 3 stage full free mast, with 86" lowered height
- *4 function hydraulics (valve and hosing)
- *Side-shifter
