

SUBSURFACE WASTEWATER and INTERNAL PLUMBING BASIC TRAINING WORKSHOP REGISTRATION FORM

The Code Enforcement Officer Training and Certification program will sponsor a training workshop on basic Subsurface Wastewater Disposal and Internal Plumbing at the Skowhegan Community Center located at 39 Poulin Drive, Skowhegan, ME 04976. The State Plumbing Inspector and Master Plumber Brent Lawson & State Plumbing Inspector Michael Day will be presenting this workshop. The morning session will focus on Internal Plumbing specifics such as venting issues and drainage fixture counts. The afternoon session will focus on Subsurface Wastewater Disposal interpretation of the new changes in the rules and back to basics of inspections. Local Plumbing Inspectors will earn recertification credits in the areas of Subsurface Wastewater and Internal Plumbing (split in half). Individuals seeking certification will find the workshop and materials helpful in preparation for the certification exams.
